

## **2018 Fall Pesticide Safety Recertification Training Registration Form**

Fall Pesticide Safety Recertification Training is for applicators, dealers, and operators. Training covers a variety of topics related to Core standards of competency. Each location follows the same agenda, so you may only attend one for credit. All persons attending must pre-register and pay for training by the due date. Class size is limited. There are no refunds, transfers or credits after the registration due date. The information given at training is for educational purposes only. References to commercial products or trade names does not imply discrimination or endorsement by the Montana Department of Agriculture.
